2. INFORMATION ON USE OF METRIC PROGRAMS AND COOKIES

The following metric program is used on the association-cfo.ru website:

2.1. Yandex.Metrica

Purpose of use: Analysis of website traffic and user behavior

Processed data: IP address, cookie files, browser data, visit time, viewed pages

Server location: Russian Federation

Cookie storage period: 2 years

IMPORTANT: Before starting personal data processing using Yandex.Metrica metric program, an information window requesting consent for cookie use is displayed on the website. The user can refuse cookie use or configure their use at their discretion.

3. TRANSFER OF PERSONAL DATA TO THIRD PARTIES

Consent extends to transfer of personal data to the following categories of recipients within the framework of achieving the specified purposes:

3.1. Government authorities:

- Administration of the Presidential Plenipotentiary Representative in the Central Federal District (for regional policy coordination)
- Regional authorities of Central Federal District subjects (for implementing interregional projects)
- Ministry of Economic Development of the Russian Federation (for developing regional development programs)
- Other federal authorities (on matters within the Association's competence)

3.2. Partner organizations:

- Associations of other federal districts (for experience and best practice exchange)
- Interregional associations (for coordinating joint activities)
- Regional chambers of commerce and industry (for developing economic cooperation)
- Public organizations (for implementing social projects)

3.3. Educational and scientific organizations:

- Universities and research institutes (for conducting scientific research)

- Expert and analytical centers (for preparing expert opinions)

3.4. Technical and organizational partners:

- Event organizers (for conducting conferences and forums)
- Publishing houses (for publishing Association materials)
- IT providers (for website and information system support)

3.5. Government bodies:

- Upon receipt of official requests within the framework of current Russian Federation legislation

4. CONSENT VALIDITY PERIOD

This consent is valid from the moment of its provision until achievement of personal data processing purposes specified in Section 1, or until the moment of consent withdrawal by the personal data subject.

5. PERSONAL DATA SUBJECT RIGHTS

I am informed that I have the right to:

- receive information about processing of my personal data
- require clarification, blocking or destruction of inaccurate or illegally obtained personal data
- withdraw this consent
- appeal the Operator's actions or inaction to Roskomnadzor or through judicial procedure

6. CONSENT WITHDRAWAL

To withdraw this consent, I can:

- send a written statement to the address: Moscow, Ilyinka str., 4, room 84/3
- send an email to the Association's official address: info@ascfd.ru
- apply in person during Executive Directorate working hours

Upon consent withdrawal, the Operator ceases personal data processing, except in cases when personal data processing is necessary to protect life, health or other vital interests of the personal data subject or third parties and obtaining consent from the personal data subject is impossible, as well as in other cases provided by Russian Federation legislation.

7. ADDITIONAL CONDITIONS

- I confirm that I have familiarized myself with the Privacy Policy posted on the association-cfo.ru website

- I confirm that consent is given voluntarily, of my own free will and in my interests
- I confirm the accuracy of provided personal data
- I understand the Association's goals for developing interregional cooperation
- I agree to data use for coordination with other Central Federal District regions
- I understand that my data may be transferred to partner organizations for implementing joint projects
- I understand that in case of consent withdrawal, the Operator has the right to continue personal data processing without my consent if there are grounds specified in Federal Law No. 152-FZ "On Personal Data"

8. FEATURES OF INTERREGIONAL COOPERATION

Coordination between regions:

- Personal data is used to organize interaction between 18 Central Federal District regions
- Contact information is transferred for coordinating joint projects
- Expert data is used for interregional working groups

Publishing and analytical activities:

- Author data is used for material publication
- Expert information is included in analytical reviews
- Contacts are used for publication distribution

Interaction with government authorities:

- Representative data is transferred for coordinating state policy
- Contact information is used for interdepartmental interaction
- Communication between the federal center and regions is ensured

9. EVENT PARTICIPATION

Conferences and forums:

- Consent to inclusion in event participant lists
- Data use for organizing networking sessions
- Possibility of photo and video recording at events (with separate consent)

Working groups and committees:

- Inclusion in expert groups by activity areas
- Contact use for coordinating committee work
- Data transfer to participants for collaborative work

Expert activities:

- Involvement in analytical material preparation
- Participation in regional development project expertise

- Consulting on interregional cooperation issues

10. WORK WITH INTERNATIONAL PARTNERS

ATTENTION: Within the framework of Association activities, cross-border transfer of personal data is NOT carried out. All data is processed exclusively on the territory of the Russian Federation using Russian information systems and servers.

Interaction with foreign partners is carried out without transferring personal data of Russian citizens outside the Russian Federation.

Ways of expressing consent:

- Becoming a member of the Association
- Participating in Association events and projects
- Using the association-cfo.ru website
- Submitting materials for publication
- Participating in expert activities
- Making proposals for interregional cooperation
- Marking consent in electronic forms
- Continuing website use after displaying cookie notification
- Other actions indicating consent to personal data processing

This consent is an integral part of participation in the activities of the Association of Interregional Social and Economic Cooperation "Central Federal District" and comes into effect from the moment of interaction commencement. Continued participation in Association activities after amendments to this consent means acceptance of these changes.
